

DEPOSITS:

The Records Custodian may require a deposit against costs for reproducing documents sought through an anonymous request whenever the Custodian anticipates that the documents requested will cost in excess of \$5 to reproduce.

Where a special service charge is warranted under OPRA, that amount will be communicated to you as required under the statute. You have the opportunity to review and object to the charge prior to it being incurred. If, however, you approve of the amount of the special service charge, you may be required to pay a deposit or pay in full prior to reproduction of the documents.

REQUEST FOR RECORDS UNDER THE COMMON LAW:

If, in addition to requesting records under OPRA, you are also requesting the government records under the common law, please check the box below.

A public record under the common law is one required by law to be kept, or necessary to be kept, in the discharge of a duty imposed by law, or directed by law to serve as a memorial and evidence of something written, said, or done, or as a written memorial made by a public officer authorized to perform that function, or a writing filed in a public office. The elements essential to constitute a public record are that it be a written memorial, that it be made by a public officer, and that the officer be authorized by law to make it.

Yes, I am also requesting the documents under common law

If the information requested is a “public record” under common law and the requester has a legally recognized interest in the subject matter contained in the material, then the material must be disclosed if the individual’s right of access outweighs the State’s interest in preventing disclosure.

Please set forth your interest in the subject matter contained in the requested material:

Note that any challenge to a denial of a request for records under the common law cannot be made to the Government Records Council, as the Government Records Council only has jurisdiction to adjudicate challenges to denials of OPRA requests. A challenge to the denial of access under the common law can be made by filing an action in Superior Court.

IMPORTANT INFORMATION REGARDING ALL OPRA REQUESTS:

1. All government records are subject to public access under the Open Public Records Act (“OPRA”), unless specifically exempted.
2. A request for access to a government record under OPRA must be in writing, hand-delivered, mailed, transmitted electronically, or otherwise conveyed to the appropriate Custodian, N.J.S.A. 47:1A-5(g). The seven (7) business day response time does not commence until the Records Custodian receives the request. If you submit the request to any other office or employee of the County of Cumberland, that office or employee must either forward the request to the appropriate Custodian, or direct you to the appropriate Custodian, N.J.S.A. 47:1A-5(h).
3. Requesters may submit requests anonymously. If you elect to not provide a name, address, or telephone number, or other means of contact, the Custodian is not required to respond until you reappear before the Custodian seeking a response to the original request.
4. The fees for duplication of a government record in printed form are listed on the first page of this form. We will notify you of any special service charges or other additional charges authorized by State law or regulation before processing your request. Payment shall be made by cash, check, or money order payable to the “**County of Cumberland**”.
5. You may be charged 50% of the total fee, or a different deposit amount, when a request for copies exceeds \$25. The Custodian will contact you and advise you of any deposit requirements. You hereby agree to pay the balance due upon delivery of the records. Anonymous requests in excess of \$5 require a full payment of the estimated fees.
6. Under OPRA, a Records Custodian must deny access to a person who has been convicted of an indictable offense in New Jersey, any other State, or the United States, and who is seeking government records containing personal information pertaining to the person’s victim or the victim’s family. This includes anonymous requests for said information.
7. By law, the County of Cumberland must notify you that it grants or denies a request for access to government records within seven (7) business days after the agency Records Custodian receives that request. If the record requested is not currently

available or is in storage, the Records Custodian will advise you within seven (7) business days after receipt of the request when the records can be made available and provide you with the estimated cost for reproduction.

8. You may be denied access to a government record if your request would substantially disrupt agency operations and the Custodian is unable to reach a reasonable solution with you.
9. If the County of Cumberland is unable to comply with your request for access to a government record, the Custodian will indicate the reasons for the denial of the request.
10. Except as otherwise provided by law or by agreement with the requester, if the agency Records Custodian fails to respond to you within seven (7) business days of receiving the request, the failure to respond is deemed as a denial of your request.
11. If your request for access to government records has been denied or unfulfilled within the seven (7) business days required by law, you have a right to challenge the decision by the County of Cumberland to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-580-0511, by mail at PO Box 819, Trenton, NJ 08625, by e-mail at grc@dca.state.nj.us, or by their website at www.state.nj.us/grc. The Council can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Superior Court Clerk in your County.
12. Information provided on this form may be subject to disclosure under the Open Public Records Act.
