## **EXPLANATORY STATEMENT COUNTY BUDGET MESSAGE**

### **COUNTY TAX LEVY CAP**

Public Law 2007, Chapter 62 amended the existing cap law to include a second CAP calculation. Both calculations are required to be completed, and for Counties, the calculation that results in the lowest increase is to be used to determine the amount to be raised by taxation.

The first calculation (referred to as the 1977 Tax Levy Cap) resulted in a maximum amount to be raised by taxation of \$103,907,090 and the second calculation referred to as the 2010 Tax Levy Cap) resulted in a maximum amount to be raised by taxation of \$103,857,686.

The following worksheets illustrate the detailed items used to calculate each of the two tax levy cap's. Based on statutory requirements, Cumberland County must use the more restrictive cap, as calculated by using the 2010 Cap. The levy proposed within the 2020 Budget anticipates \$101,485,000 of revenue from the County Purpose Tax Levy.

The county did not qualify to use the 1977 cap calculation in either 2019 or 2020. As such, there is no need to adopt the Cap Index / Cap Bank ordinance applicable to the 1977 Cap.

The 2010 Cap law does not require an ordinance to create a Cap bank. The Cap bank created in 2019 under the 2010 rules is \$1,349,150. For 2020 an additional \$2,372,686 of excess allowable cap over the 2020 Tax Levy was created and now adds to the 2019 Cap Bank. Thus, a \$3,721,836 Cap Bank now carries forward into 2021. Cap banks are available for the next three budget years but only if the calculation falls within the 2010 rules. Converting back to 1977 rules will result in a loss of the Cap bank.

### **EMPLOYEE HEALTH BENEFITS**

The 2020 budget includes health benefit payments for existing employees and for retirees. The total budgeted cost for Active Employee Health Benefits is \$16,750,000. Health benefits reform legislation of 2010 requires premium cost sharing contributions by employees that, for 2020 reduces the total budgeted cost by \$2,400,000 for a \$14,350,000 net Budget Appropriation. For 2019 the \$14,400,000 appropriation was net of \$2,130,000 employee cost share.

Employee contributions as a percentage of insurance costs are established from a cost sharing schedule based upon each employee's income level, as set forth by ch 78 of PL of 2010. The 2019 and 2020 Budgets include the full Health Benefits cost sharing percentage as established by ch 78, PL 2010.

The 2020 budget appropriation for Retired Employee Health Benefits is \$3,250,000. The County requires a 20% cost share from retirees eligible for these post-retirement Health benefits. This is recognized as an Anticipated Revenue of \$805,000 for a \$2,445,000 net cost. For 2019 the retiree Budget Appropriation was \$3,200,000 with a revenue offset of \$750,000.

X				Tax Levy - projected increase for subsequent years	3,500,000	The 2% Cap matched with unreasonable expectations (Unions, Department Heads, etc.) create a challenge. Our current 6 year plans under a 2% cap are challenging but sustainable.
	X			Unfunded State Mandate - Criminal Justice Reform	1,600,000	Criminal Justice reform is causing the State Courts to require us to add new courtrooms to accommodate additional judges to manage their increase in cases. There will be a new courtroom added to a the capital cost to construct a new County Prison. In addition, it has been suggested that the State may need to occupy a second new courtroom.
	X			Upgrade to 911 Communications Systems	11,000,000	There is current need to update technology; software, towers, radio frequencies, and related improvements to the 911 communications systems. This project has been added to the 2020 Capital Plan for \$6 million. The balance will be included in 2021. Debt will be paid for this project over 10 years, without an offsetting source of revenue.
	X			Replace Voter Booths	2,500,000	Yet another unfunded mandate will require all counties to replace voting booths. The cost has been estimated to be \$2.5 million. \$1.2 million was appropriated in the 2019 capital plan. We anticipate another \$1.0 million to be included for 2021. Debt will be paid for this project over 10 years, without an offsetting source of revenue.

		<b>X</b>		New Prison Construction	3,500,000	It is anticipated that there will be sufficient operating savings to cover the Lease on the new prison. The prison is expected to open July 1, 2021. Prudent decisions over staffing requirements will have a significant impact on operational savings. Of course, by far, the biggest variable concerning staffing is the lack of responsiveness from NJ Civil Service which affects the staff vacancy rate. Once the County Jail is at full employment there must be a rational plan to sustain that staffing level. Other savings are much less at risk, such as utility bills and maintenance costs.
		<b>X</b>		Police & Fire Pension	TBD	Recent legislation transferred control of the Police & Fire Pension from the State Treasurer to the control of the Police and Fire Labor Unions. This proposal goes on to take away the current law requiring at least 80% funding before plan design changes can be considered. The proposal does not increase employee contributions yet it allows the labor unions to make benefit enhancements that will be paid by the towns and counties. Taxpayers could be forced to pay for additional benefit enhancements adding a significant burden to county and municipal budgets.
			<b>X</b>	Real Planning - ongoing Tax Levy Cap concerns	TBD	Our budget is balanced for 2020. 2021 projections are within the projected cap for 2021. However, subsequent years could present challenges concerning the 2% cap, if prudent recommendations are not followed.

X				Surplus - Currently available (positive item) in need of preserving for more than just short term tax relief	7,500,000	Without proper planning, Surplus balances will always be at risk, especially when the balances are healthy. That may sound backward but when balances are high there is significant pressure to "give it back" without planning on how that revenue will be replaced AFTER it has been given back. Our 6 year plan continues sustainable stability.

## CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to NJAC 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

### CAPITAL BUDGET

-A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- ☐ Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- ☐ No bond ordinances are planned on improvements.

### CAPITAL IMPROVEMENT PROGRAM

-A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- ☐ 3 years. (Population under 10,000)
- ☒ 6 years. (Over 10,000 and all county governments)

## **NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

The 2020 Budget contains the outline plan for a major investment in the County's infrastructure by committing significant annual funding for roadway improvements, improvements and renovations to public buildings.

Our plan demonstrates an annual commitment toward replacing worn or obsolete equipment, upgrades to Public Safety Equipment, Building Renovations, and trucks/heavy equipment.

This Capital Program represents the County's plan to spread these costs over a 6-year period, to minimize the cost impact on any one particular year.

Over the past 6 years the County has been able to significantly reverse deferred maintenance in our Buildings and improve the condition of our trucks and heavy equipment by replacing well worn assets. By doing so, this allows the County to focus 2020 and 2021 almost exclusively on an estimated \$11 million project to upgrade (Public Safety) emergency communications equipment, towers and software.
